Headteacher: **Mrs Deborah Burnett**

Thursday 27th February 2026

Dear Year 6 Parents

The children will be visiting the London Science Museum on Wednesday 29th April. They will be enjoying multiple workshops whilst they are at the museum including exploring space, It takes Guts, wonderlab and Antarctica 3D.

The children will travel by train and underground from Pulborough to Victoria and then two stops on the District Line to the museum. We will need to leave Pulborough on an early train so we can maximise our time at the museum. We will also return after the end of the normal school day.

Drop off at Pulborough Station - 8am

Pick up from Pulborough Station – 5.25pm

The cost of the trip including transport and workshops is £25.50 per child. Please pay via MCAS.

I would like to add that any payment you make is a voluntary contribution to cover the costs of the trip. I must stress that our school could not bear any of the cost of the visit without reducing its ability to provide the books and materials that are essential for its curricular needs, and therefore the visit could not take place unless all parents, who are able, are willing to contribute.

The children should wear full school uniform. They will need a small rucksack, a light raincoat, lunch and two extra snacks and drinks. A small card game for the journey may be appropriate.

Mrs Phillips and Mrs Burnett will accompany the children but we do need two extra adult DBS checked helpers to join us. If you would like to volunteer please contact the school office.

If you have any questions relating to this trip please do not hesitate to contact me.

Kind regards

Liz Wilmshurst
Educational Visit Coordinator
